

Dear Friend of MIS,

Mary Immaculate is a not-for-profit school with a mission to provide academic excellence in a Catholic and Christ centered environment. Our annual "Heart of Gold" auction plays a vital role in providing funds for all of our programs including the basics of reading, writing and mathematics along with art, foreign language and athletics. Additionally, Mary Immaculate School offers one of the best dyslexia programs in the Dallas dioceses providing excellent opportunity to students who struggle with learning. Some of these funds raised are also used to provide tuition assistance to families in need.

The theme for this year's auction is "Soaring to Great Heights" to be held on Saturday, March 1, 2008 at the Smithsonian Frontiers of Flight Museum at Love Field Airport. We would be honored if you would consider joining us for an exciting evening including plenty of entertainment with a live auction, silent auction, casino night and dancing. A reservation can be made by contacting either of the auction Chairmen at 972-243-7105.

We are appealing to organizations such as yours to assist us in enhancing our children's academic achievement through a financial gift towards underwriting this event. You can help us by either providing funds directly to underwriting with a cash donation and/or through advertising in the program for the event. Certain underwriting levels include advertising as well. Please take a few moments to review the details of each opportunity on the enclosed Underwriting Contract and Advertising Contract.

Thank you for considering our request to make a tax-deductible charitable donation to Mary Immaculate School. For further information visit our school web site at www.mischool.org. If you have any questions about levels or opportunities, please contact Elaine Blaylock at 972-243-7105 ext. 20. We look forward to hearing from you soon. Your gift us sure to make Mary Immaculate School "Soar to Great Heights"!

Sincerely,

Nancy Russell
Principal
