Coppell resident Todd Kerr directs the Brownies who are following a fruit punch recipe.

Culinary arts class

The girls stuff apples with cinnamon and raisins.

Todd Kerr, owner of Macklin's Catering in Dallas and J. Macklin's Grill in Coppell, recently welcomed Brownie Troop 2561 to his catering kitchen for a lesson in the culinary arts. Kerr and his head chef assisted the 15 third-graders from Mary Immaculate Catholic School in making baked apples, fruit salad, fruit punch and sloppy Joes. The girls also learned about nutrition, knife safety, kitchen cleanliness and how to follow a recipe.
