

Extended Day Program (EDP)

Mary Immaculate School provides an Extended Day Program for the care and supervision of all enrolled students (K-8) after regular school hours. The hours of EDP are from dismissal until 6:00pm. EDP may be used on a part-time or full-time basis; **registration is required.**

EDP includes time for a snack, homework, outdoor recreation and indoor play.

The same Mary Immaculate School rules that are in effect during regular school hours apply to those in the EDP Program. EDP operates only on days when school is in session, including early dismissal days. **On early dismissal days, there is no cafeteria service so lunches and drinks must be brought from home.** The EDP staff can not administer any medication. Medication needs must be met by the school nurse before dismissal. The EDP Staff should be notified of any child's special dietary concerns/allergies.

Registration for EDP will begin in August at the Back to School Preparation Day.

EDP Fees are billed through SMART Tuition and enrolled families are required to have the 16th of the month, as their SMART due date. **Changes to your EDP billing plan cannot be made mid month.** If you need to make a change, an EDP Billing Change request Form must be completed and turned into the office by the 15th of the previous month. Changes will not be effective until the 1st of the following month. EDP Billing Change Request Forms are available in the school office and on the school website.
