Mary Immaculate kindergarteners ride on on an imaginary train during Polar Express day.

## Christmas spirit

Kindergarteners at Mary Immaculate Catholic School in Farmers Branch hopped on board an imaginary train ride to the North Pole as they enjoyed *Polar Express* day. Dressed in their robes as characters in *The Polar Express* book, the students enjoyed hot chocolate as they listened to their teacher read the story. Following the story, their teacher gave each child a jingle bell to remind them the wonder of life never fades for those who believe.
