

RECYCLE that trash for CASH!!

Save the Environment

100% PROFIT
No Selling Required

Dear MIS Parents:

Our school conducts a recycling and fundraising program with the help of an **inkjet cartridge** recycling company called Empties4Cash. The empty inkjet cartridges we usually throw away can be recycled and remanufactured. **MIS gets paid up to \$4.00 for each empty inkjet cartridge** that has a print head.

It's so easy! Here's what you need to do:

Bring the empty inkjet cartridges from work or home to school and put them in our collection box in the school hallway. Or send them to school with your child.

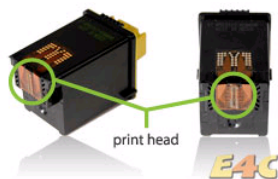

- Put the cartridge in the original box or a Ziploc bag to keep it safe from damages & spills.

For cartridges to qualify for payment, they must:

- Be original manufacturer's brand (OEM):
 - HP
 - Lexmark
 - Dell
 - Canon
 - Sharp
 - Laser / toner cartridges

Only these brands qualify for payment however the company will recycle any cartridge.

- Have a print head. No Epson cartridges which are just ink tanks without a print head.

- They cannot be damaged, remanufactured, refilled, or ink tanks without print head (such as Epson).

Thank you for helping Mary Immaculate School raise funds and keep millions of pounds of cartridges out of our landfills.

Sincerely,
