

Dear Albertsons Community Partner,

The Albertsons stores in our area are enhancing the Community Partners program so that MIS can earn more money. From this point forward, you will have this card scanned every time you shop. This will be how MIS earns money. The Albertsons Preferred Card is not being used any longer. This new card will take its place.

IT PAYS TO SHOP!

MIS MAKES MONEY EVERY TIME YOU SCAN YOUR NEW CARD!!

For another card or questions, you may call Tina Pelky at 972-862-3062.
