

MIS After School Study Hall Program

Dear Parents:

MIS provides a study hall from 3:30 until no later than 5:00 PM for students waiting to practice in MIS sports and band only. Participation in the study hall is by invitation only, and an invitation is extended only to the students actually participating in the specified extracurricular activities, not to siblings or carpool members.

This does NOT include students in detention or tutoring.

Fees are as follows:

Football	\$40
Volleyball	\$30
Basketball	\$40
Softball, Baseball, Track	\$25
Band	\$50 per semester

Please attach a check made out to MIS to this form. A form must be completed for *each* activity and returned to the school office.

The following rules apply to study hall:

1. No one is allowed out of the cafeteria unless they have permission from the supervising teacher.
2. Since this is a study hall, students are expected to do homework. Study hall is not playtime. There will be a mandatory quiet time during study hall, usually from 3:45 until 4:45. Students should be doing homework or reading. There is to be no talking during this time. There will be assigned seating. Electronic games are not allowed. Listening to music on ipods, mp3 players, etc. is acceptable.
3. Drinks and snacks are for sale by the Athletic Dept. Students may also bring their own food. They will be expected to clean up after themselves. No IOU's will be given; however, parents may set up an account for their child.
4. If a student is not observing the above rules, as well as all MIS rules, a slip will be sent home informing parents of the situation. The slip must be signed and returned before the student will be allowed back in study hall. After three slips are sent home, the student will not be allowed back in study hall for the rest of the sport or the semester.
5. There will no study hall on early dismissal days. Students are not allowed in study hall after practice.

Sincerely,

Matthew Krause
