# HONORARY CHAIRS

Steve and Sharon, alumni of various Catholic schools, have been strong supporters of Mary Immaculate School. Sharon, a dedicated teacher, served at MIS in various roles, including department leader, PTC teacher liaison, and vice president, while also creating the Content Mastery Center and offering Study Skills courses and ISEE test preparation classes. Her proudest achievement was being named MIS Teacher of the Year in 1996-97. Steve's support for education has focused on initiatives like The Bishop's Golf Tournament, Serra Club membership, and assisting in developing the Business Program with Fr. Alfonse. Their passion for education has been passed down to their daughters, who now teach American Sign Language and Art, attributing their compassion to their special needs brother and son, who thrives in his unique way in the community.

# SPECIAL THANKS

This year's Heart of Gold Auction would never have happened without hours of behind-the-scene work of many volunteers. Please be sure to thank these people as you visit with them tonight.
