

Mary Immaculate Catholic School
Impact Report 2022

Dear Friends of MIS,

I am pleased to present our 2021-22 Impact Report. In one of our most challenging environments, Mary Immaculate School was lifted to new heights in almost every aspect: academically, financially, parish and community engagement, operational vitality, and in spirit. What a year this has been. For all our successes, we are grateful to God and to you, our staff, faculty, alumni, parishioners, organizations, friends, and families.

When I first arrived in July of 2021, I made two promises. First, that our top priority would be approving and executing the school's vision. Second, that we would meet and exceed our financial goals. With the help of the School Advisory Council and my Leadership Team, we were able to accomplish so much more. In fact, we raised over \$1,000,000 because of your love and generosity for MIS, and your strong belief in Catholic education. We are on track for an amazing 2022-23 school year.

Grounded in faith and growing for the future, we remain committed to providing everything necessary for our students to succeed on earth and in heaven. This summer, because of your generosity, we're renovating our Pre-K4 and Kindergarten rooms, resurfacing our gym floor and updating the Athletics Entrance in addition to several other improvements. I hope you'll tour the school to see the impact your gifts have had at MIS.

Whether you have given of your time, talent, and treasure for years or if you are new to our community, we are truly grateful to each of you. As we embark on a new year, I make a new promise: This coming year will be even better and brighter for the children entrusted to our care.

May God bless you,

Fr. Alfonso

Student & Faculty Accomplishments

New Pre-K4

MIS will have double the number of little feet walking through our doorways this August. Our new Pre-K4 welcomes 30 new Mustangs in addition to our 30 new kindergartners. Our new Pre-K4 students will have their own uniforms and have the option to participate in half or full day programs. These mini-Mustangs will participate in our faith-based, engaging curriculum which encompasses early literacy, math, science, social studies, art, music, social growth and fine / gross motor practice with low student-to-teacher ratios. For more about our Pre-K4 program, visit www.mischool.org/prek4.

HALO Teacher of the Year for the Diocese of Dallas

Each year, every school within the Diocese of Dallas nominates a teacher to be considered for the coveted HALO Educator of the Year award. The Diocese selects three and this year, our very own Señora Susy Zinser was honored. For 14 years, Señora Susy's joyful, rigorous lessons have been enriching our youngest students.

One Season. Three Basketball Championships.

MIS celebrated its best basketball season in our school's history this year. Eight out of 10 MIS teams made it to post-season tournament play. Five made it to the semi-finals and four proceeded to the final championship game. Three of those four clinched the championship. One team had a perfect season and was bumped into a higher league for post-season play.

Developing Leaders. Supporting Our Students. Growing Community.

This year, MIS introduced new opportunities for students, parents and grandparents. We also began strengthening relationships within the business community.

Students in 6th-8th grade were invited to consider becoming Student Ambassadors, leaders at the school and within the community. Students went through a thorough vetting process before being selected. These young men and women represent MIS at all our Open Houses and various community programs throughout the year. The Parent Ambassadors, led by Silvia Hoffmann-Hernandez and Elizabeth Nava, mobilize parents to help MIS reach prospective families.

And, our newly formed Grandparents Club, led by the three-generational Prici and Corky Mahaffey family, will officially kick off with the 2022-23 year. To learn more about the Grandparents' Club, visit www.mischool.org/grandparents-club or scan the QR code.

MIS continued growing stronger bonds with several businesses in our community. We are grateful to them for sharing their knowledge with us in class and sponsoring events.

Business Relationships

Brookhaven Country Club, Farmers Branch Chamber of Commerce, Farmers Branch Fire Department, Lewisville Mitsubishi Autoplex, Lockheed Martin, Padrino's Tamales, Southwest Airlines.

Class of 2022

MIS congratulates our 40 Class of 2022 graduates. This class overcame a pandemic, learned to study virtually, and missed two years of athletics and field trips. Despite these challenges, our Mustangs earned three DPL championships and were awarded \$92,000 in scholarships to local Catholic high schools.

Financial Accomplishments

New Tuition Endowment

Thanks to a \$50,000 gift from Alumni Family Lisa and Louis Guerra, MIS introduced a new fund in late 2021. Within two months, MIS families rallied to raise the \$100,000 required to establish the official MIS Tuition Assistance Endowment Fund at The Catholic Foundation. We will distribute between three to five percent annually to assist families who require assistance to provide Catholic education to their children. On behalf of all our families who will benefit, thank you for your generosity.

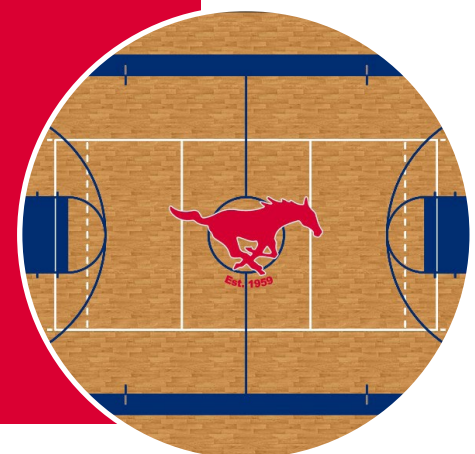

Your Gifts in Action

MIS is grateful to the 700+ donors who supported our school this past school year. Because of you, we were able to make many improvements throughout the year and we have even more scheduled over the summer.

We kicked off the school year with a new parking lot, exterior lot lights, renovated lobby and, thanks to The Catholic Foundation, a new “poured in place” playground surface. Over the next few months, we’re remodeling our Pre-K and Kindergarten wing, Music Room and Catechesis of the Good Shepherd Atrium. An anonymous friend also provided full funding to resurface the gym floor and redesign our athletic entrance.

Knights of Columbus Pledge

The Knights of Columbus Council 5052 made a \$125,000 pledge to fund religious education at MIS. To thank them for their generosity, MIS faculty, staff and students prayed 1,500 prayers of gratitude. The Knights will pay \$25,000 per year for five years.

Golf Tournament

Our first inaugural Golf Tournament generated 144 golfers and raised over \$45,000 to fund our Athletics program. Organized by Sean McIntyre, the May 2 tourney at Brookhaven Country Club engaged alumni, parishioners, families, friends, local businesses and even students. Save the date for our 2023 outing which is tentatively scheduled for April 24 at Brookhaven.

Join us in thanking the sponsors who made the Golf Tournament possible:

Padrino Foods, Cambon Realty, Sean McIntyre, Lewisville Autoplex Mitsubishi, Bishop Lynch High School, BSN Sports, DM Auctions, Crown Audio Video, Goosehead Insurance, Bertrand Agency, Long Family, OEM Electric, Brandt Family, Cox Family, Helix Financial Group, HPMB Engineers, Murray Family, Verdiguel Family, Wise Family, Jesuit College Preparatory School, John Paul II High School, Schmeltz Family.

Heart of Gold Auction

Chaired by Heather McIntyre and held at the Springlake Event Center, this year's Heart of Gold Auction generated over \$285,000 to benefit MIS. It was a blessing to be back in person, though many families, parishioners, alumni and friends also found great deals online. MIS is especially grateful to Lewisville Mitsubishi and the Baum family for donating a brand new Mitsubishi Outlander for the Auction raffle which alone generated \$50,000.
