

# The Catholic Foundation awards \$1.3 million during grant ceremony

## Special to The Texas Catholic

The Catholic Foundation Nov. 17 awarded \$1.3 million to 12 local schools, churches and community organizations during its 2021 fall grant ceremony.

Funded by the Foundation's unrestricted Philanthropy Fund as well as funds established by individuals and families to carry out their charitable goals, the grants will support various projects including HVAC replacements, facility renovations, purchase of a vehicle, church organ repair and technology upgrades for school classrooms.

"Thanks to the generosity of our donors, these grants allow The Catholic Foundation to help fund projects that will support deserving organizations in our community," said Matt Kramer, president and CEO of The Catholic Foundation. "With the help of our board of trustees and our donors, The Catholic Foundation is able to fulfill its mission of promoting compassionate charitable giving and stewardship that serves donors and the needs of our community."

Twice per year, The Catholic Foundation distributes community grants to local Catholic churches and schools and nonprofit organizations. Grant requests are reviewed

by the Board of Trustees' Distribution Committee, followed by documented site visits by Trustees through which the recipients and funding amounts are determined.

Over time, the Foundation has provided more than \$239 million in grants to religious, charitable and educational organizations. In 2020, The Catholic Foundation awarded 2,600 grants totaling more than \$23 million.
